

Nominations for the

2016 Meyer Excellence in Teaching Award

For the eighteenth year, the Skyline Academic Senate is soliciting your nominations for an award to be given at the end of the academic year to a colleague who has been a full-time Skyline faculty member for no more than five academic years. This monetary award was established by SMT faculty member, Professor Phil Meyer, to celebrate excellence in the classroom—the primary criterion for this award. Other criteria include departmental participation, student activities beyond the classroom, and overall collegiality.

Nominations may be made by any administrator, faculty, or staff member of the Skyline community. To nominate a faculty member, please refer to the list of eligible candidates and answer the following questions:

Faculty Member Nominated for Meyer Excellence in Teaching Award

Name _____ Discipline _____
Nominated by: _____ Division _____

1. Please discuss how the nominee demonstrates "excellence in the classroom."
2. Please discuss how the nominee demonstrates excellence in other areas of campus and off-campus work.
3. Please discuss how the nominee demonstrates overall collegiality.

Deadline: Please send nominations to Academic Senate Past President Nick Kapp by 4/6/16.

- by email at kapp@smccd.edu. Please put "2016 Meyer Excellence in Teaching Award" in the subject line ; or,
- by inter-office mail at Nick Kapp, SMT Division
