\*\*\* Spring 2009 (Current Term) numbers are to-date; all previous terms are actual end-of-term figures.

FTES % Change is estimated using same-day district reporting through Census Day.

Census enrollment: Number of course enrollments (duplicated) at census;

End of Term Enrollment: Number of course enrollments (duplicated) at the end of term. For the current term, this figure rolls until the term ends.

FTEF: Total number full time equivalent faculty assigned.

FTES: Total number of full time student enrolled at first census.

Load: The ratio of WSCH to FTEF, used to measure productivity.

Sections: Total number of sections offered per semester.

Fill Rates: The percent a class fills/enrolls based on capacity or enrollment maximum defined in the curriculum (does not include positive attendance, open entry/open exit, or independent study classes).
