TRANSFER TO CALIFORNIA STATE UNIVERSITY CAMPUSES

There are 23 California State University (CSU) campuses. The general education requirements for all lower division campuses are listed on page 205.

In addition to the general education requirements, there may be major requirements that need to be completed before transferring with junior status. Consult with your counselor or the specific campus for further information.

The Lower Division Transfer Patterns (LDTP) is a program sponsored by the California State University (CSU) and supported by the California Community Colleges that presents potential transfer students with the most direct path to a Bachelor’s degree in the CSU system. Community college students who elect to follow the LDTP option will receive the highest priority for admission to a CSU campus. Students will be asked to successfully complete a specified set of general education courses and major courses that will be common to all CSU campuses offering that major, and they will be asked to successfully complete an additional set of courses identified by the particular CSU campus named in the LDTP agreement. For more information on the CSU LDTP, contact the Skyline College Transfer Opportunity Center at (650) 738-4232.

206 INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

Effective Fall 1991, the IGETC will permit a student to transfer from Skyline College to any campus of the California State University (CSU) or the University of California (UC) systems without having to take additional lower-division general education after transfer.

Completion of the IGETC is not a requirement for transfer to a CSU or UC, nor is it the only way to fulfill the lower-division general education requirements. Students may find it advantageous to take courses fulfilling CSU's general education requirements or those of a particular UC campus.

- NOTE:**
1. The IGETC does not guarantee admission to any CSU or UC campus.
 2. The IGETC does not meet the American History and Institutions requirement at CSU and UC campuses.
 3. All courses for IGETC must be completed with C or better grades (a C- is not acceptable).

AREA 1 – ENGLISH COMMUNICATION (Required: 1 or more courses from each group for CSU; UC requires completion of courses from Groups A and B only.)

CALIFORNIA ARTICULATION NUMBER SYSTEM (CAN) 207

The California Articulation Number (CAN) identifies some of the transferable, lower division, introductory (preparatory) courses commonly taught within each academic discipline on California college campuses. The system assures that CAN courses on one participating campus will be accepted "in lieu of" the comparable CAN course for the major on another participating campus. Example: CAN ECON 2 on one campus will be accepted for CAN ECON 2 on another participating campus. **Note:** *CAN will be phased out in Fall 2008. See a counselor for further information.*
