# 162 INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

Effective Fall 1991, the IGETC will permit a student to transfer from Skyline College to any campus of the California State University (CSU) or the University of California (UC) systems without having to take additional lower-division general education after transfer.

Completion of the IGETC is not a requirement for transfer to a CSU or UC, nor is it the only way to fulfill the lower-division general education requirements. Students may find it advantageous to take courses fulfilling CSU's general education requirements or those of a particular UC campus.

- NOTE:**
1. The IGETC does not guarantee admission to any CSU or UC campus.
  2. The IGETC does not meet the American History and Institutions requirement at CSU and UC campuses.
  3. All courses for IGETC must be completed with C or better grades (a C- is not acceptable).

**AREA 1 - ENGLISH COMMUNICATION** (Required: 1 or more courses from each group for CSU; UC requires completion of courses from Groups A and B only.)

# CALIFORNIA ARTICULATION NUMBER SYSTEM (CAN) 163

The California Articulation Number (CAN) identifies some of the transferable, lower division, introductory (preparatory) courses commonly taught within each academic discipline on California college campuses. The system assures that CAN courses on one participating campus will be accepted “in lieu of” the comparable CAN course for the major on another participating campus. Example: CAN ECON 2 on one campus will be accepted for CAN ECON 2 on another participating campus.
