Dear Scholarship Donor,

I am sincerely grateful to be a recipient of the Classified Senate Scholarship Fund. Thank you for all your generosity, and the money will definitely make a difference in my life. It can pay for my miscellaneous course fees such as online homework website passes and the books I need.

I am a Mechanical Engineering major, and am working hard to transfer in two years. I appreciate your confidence in me, and will work even harder. Once again, thank you for investing in my education.

Sincerely,
Wai Hnin Oo

Dear Senate Scholarship Fund Endowment Donor(s)

I was very grateful to learn that I was a recipient of the Senate Scholarship Fund, and I am writing to thank you for your generosity. It will play a large part financially towards my higher education.

The Senate Scholarship Fund is going to be incredibly helpful for me as I am struggling to make dues. Recently, my mom and dad had to cut hours because of my father's kidney cancer. He is getting better, but it was a huge hit to everyone, financially and in time spent. It has been real tough incurring more responsibilities than expected and being financially unstable. Currently I have three A's (General physics 2, Anatomy, and Psychology) and unfortunately a B (in Chemistry, with chances of getting an A) this semester. I am still on track academically, attempting to go into pharmacy. After one more year, I plan to transfer to a four year pharmacy school after finishing my pre-requirements. After completing pharmacy school, I plan on moving back to my local community and help out, helping people like my father, seeking a pharmacy position. Quitting my position in IT to do this was a tough decision, but it gives me all the more reason to succeed.

With the Senate Scholarship Fund, I am able to focus on what is important for me, helping people in need and doing well for the community. Your financial generosity is going to be a big help. With your support, and the support of my teachers, family and friends, I will be able to succeed. I wouldn't be anything without people like you. I appreciate all that you have done for me, and I aim to do you well. I hope I can be a good reflection of the good in you. I am my father's soldier, my mother's morals, and the collective knowledge of those who touch me. Time to make everyone and myself proud.

Thank you.

Sincerely,
John Mang Hang Kam
