

**CURRICULUM COMMITTEE
GOALS AND PROJECTS
2005-2006**

1) Update Curriculum Processes

- a) Incorporate Student Learning Outcomes in the curriculum and program review processes
- b) Establish recommendation for curriculum process to address proposed and existing curriculum with common course numbers despite having varying attributes and properties at the three colleges
- c) Update Curriculum Committee forms to modernize their look and increase user-friendliness

2) Update Major and Degree Requirements

- a) Review and recommend changes to the Associate Degree general education requirements (example: increased English/Mathematics level requirements)
- b) Review and recommend policy on the double-counting of courses for multiple majors
- c) Act on Degree Audit recommendations regarding how unit deficiencies created by quarter to semester unit conversions will be addressed for satisfaction of degree, major, general education and subject area requirements

3) Promote Curriculum Integrity

- a) Work with the Director of Planning, Research and Institutional Effectiveness to identify the best and most consistent methodology for completing the highest level of scrutiny in the establishment of prerequisites
- b) Post course outlines on-line and encourage the update of at least one-third of the course outlines
- c) Complete the review of the Program Review process (Program Review on Program Review)

4) Plan

- a) Inform the curricular direction of the Institution by engaging in and contributing to the Educational Master Planning Process
