

ENGINEERING MAKERSPACE SUMMER EXPERIENCE

Design and build straight from your imagination at our unique maker space with state-of-the-art equipment!

1

ENGR SESSION A: JUNE 24 - JULY 03

ENGR 405 | 2 Units | Course Reference Number: 55719
Monday - Friday, 10:00am - 3:30pm, Bldg 8-118

2

ENGR SESSION B: JULY 08 - JULY 18

ENGR 405 | 2 units | Course Reference Number: 55720
Monday - Friday, 10:00am - 3:30pm, Bldg 8-118

3

MORE INFO:

Design prototypes in the Engineering Innovation Lab using 3D printers, lasercutters, circuit milling machines, and arduino circuit boards, while exploring strategies for entrepreneurship.

Contact Maryam Khan | Camp Facilitator & Engineering Faculty at khanm@smccd.edu.

BIOTECHNOLOGY SUMMER CAMP

1

BIOL SESSION A: JULY 22 - AUG 02

BIOL 695 | 1.5 Units | Course Reference Number 55281
Monday - Friday, 9:30am - 4:00pm

2

REGISTER MAY 01 - JUNE 13

Apply for concurrent admissions to Skyline College at skylinecollege.edu/outreach/concurrentenrollment.php. After receiving a G# (Student ID), complete, obtain required signatures, and upload the College Connection Course Request Form via the student portal page on websmart.smccd.edu. When you receive confirmation of your registration date, go to WebSmart and register for the camp session with the corresponding Course Reference Number (CRN).

3

QUESTIONS?

Contact Jing Folsom | Camp Facilitator & Biotechnology Faculty at folsomj@smccd.edu.

4

ALL CAMP SESSIONS ARE FREE FOR HIGH SCHOOL STUDENTS

Earn 1.5 - 2 units of college credit!

Learn how science, technology, engineering, and math (STEM) all come together in the process of producing a new antibiotic for the American market!
