FOR IMMEDIATE RELEASE

**REGISTRATION IS NOW OPEN FOR FALL
FALL CLASSES BEGIN AUGUST 14, 2019**

San Bruno, California – June 11, 2019 – Registration is now open for fall 2019 semester at Skyline College which begins August 14, 2019 Tuition is just \$46.00 per unit and financial aid is available for students who qualify. The schedule of classes offered for both semesters is available in a convenient searchable format as well as pdf format on the [Skyline College website](#). Students may search for open classes by discipline and register on [WebSMART](#).

Offering over 100 degrees and certificates for students to choose from, there is something for everyone at Skyline College. New in fall 2019, the college is launching Skyline College NOW, a new way for working or busy adults to earn an associate's degree through courses offered at night, online and/or on weekends. An Associate Degree for Transfer in Business Administration will be offered in the new Skyline College NOW accelerated format. Each class will be 8-weeks in length with students taking one to two classes at a time. For more information on the new Skyline College NOW program, please visit <http://skylinecollege.edu/now/>.

-more-

Skyline College offers 27 Associate Degrees for Transfer in various disciplines which provide guaranteed admission with junior-level standing into the California State University system for students who wish to complete a Bachelor's Degree. For more information on transfer degrees please visit the [transfer center website](#).

New students interested in enrolling should visit the [application page](#) and apply. As an open-admission institution dedicated to educating the bay area region, all students who apply are accepted to Skyline College and there is no application fee or deadline to apply. Continuing students can register and view classes on the district's online portal, [WebSMART](#).

New degree programs available beginning this fall 2019 include:

- Associate in Arts Degree for Transfer – Economics
- Associate in Arts Degree for Transfer – Geology
- Associate in Arts Degree for Transfer – Social Justice
- Associate in Science Degree for Transfer – Public Health Science

To learn more about Skyline College or apply today, please visit [skylinecollege.edu](#).

###

Skyline College is an accredited, comprehensive California community college serving more than 16,000 students annually, offering 100 Associate Degree and Certificate programs as well as a Bachelor's Degree in Respiratory Care. Located on a 111-acre campus overlooking the Pacific Ocean, Skyline College has offered world-class educational opportunities to residents from North San Mateo County and beyond since 1969. Part of the San Mateo Community College District, Skyline College strives to inspire a global and diverse community of learners to achieve intellectual, cultural, social, economic and personal fulfillment.
