

WELCOME TO SKYLINE COLLEGE

FROM THE COLLEGE PRESIDENT

Dear Student,

Welcome to Skyline College. We are happy to have you here.

This handbook is intended to help you become familiar with the many programs and services designed to enrich your experience as a student at Skyline College.

It also includes information about many of the college policies and procedures that are important for students to know.

This year, we celebrated the opening of the Student and Community Center. For the first time at Skyline, students have a place to gather in a formal student union and more room for student activities that are crucial to your life here on campus. This new building provides the college community with a gathering place for socializing and for exchanging ideas.

As you already know, Skyline offers a great education, and we are committed to helping you achieve your educational goals. As you pursue your academic studies in the classroom, you will also have many other opportunities to learn from people of various cultural backgrounds, to examine new philosophies, and to develop new interests and skills.

I encourage you to take advantage of the programs and services that are available to ensure your success as a student. All Skyline faculty and staff members are ready to assist you in this endeavor.

Best wishes for your career at Skyline.

Victoria P. Morrow, Ph.D.
President, Skyline College

FROM THE STUDENT SENATE PRESIDENT (ASSC)

The Associated Students of Skyline College (ASSC) and I would like to welcome and congratulate new and returning students for choosing to further their academic goals. The ASSC is an important part of the decision making process at Skyline College and your feedback plays an essential part in our ability to provide accurate representation of your needs. If you have concerns, feel free to ask questions of your elected student body representatives or bring the issue forward at the Student Senate meetings. ASSC and SOCC (Skyline Organization and Club Council) meetings are open to the public, so please feel free to attend. Meeting dates and agendas are posted next to the Associated Students of Skyline College Office, Room 6214.

We encourage students to participate in the ASSC or the any of student clubs and organizations on campus. These student groups provide a wide range of opportunities for students interested in developing leadership skills and participating in shared governance of the college. Please stop by our office or call (650) 738-4327 for more information about the ASSC or student groups.

Have a fantastic year and remember to enjoy your experience here at Skyline College.

Lauren Ashley R. Hernandez
President
Associated Students of Skyline College
