Dear Employers,

Our uncertain economic times have impacted a majority of our students who are depending on part-time or full-time employment to finance their educational needs. We would like to encourage your participation in conducting on the spot interviewing at our upcoming Career Expo 2009 event. We would be happy to provide you with an interview location during the event. Additionally, we are seeking participants to serve in our Career Center Advisory Board with the goal of receiving mutual ideas and forming collaborative relationships on how to improve services to our students and the business community.

If you are planning to conduct interviews during the Career Expo or have an interest in serving as a member of the Career Center Advisory Board, please indicate your preference on the Registration Form. Thank you for your continued support in providing our students with opportunities in exploring their career paths.

Virginia Padron
Career Center Counselor/Coordinator
