

Library Comprehensive Program Review

Spring 2019

What we do

The library supports Skyline College's mission to empower and transform a global community of learners

by providing *open access to resources* to enable that empowerment and growth.

Our programs and services expand beyond our walls and we are a reliable and persistent source of support and guidance to our diverse community of learners.

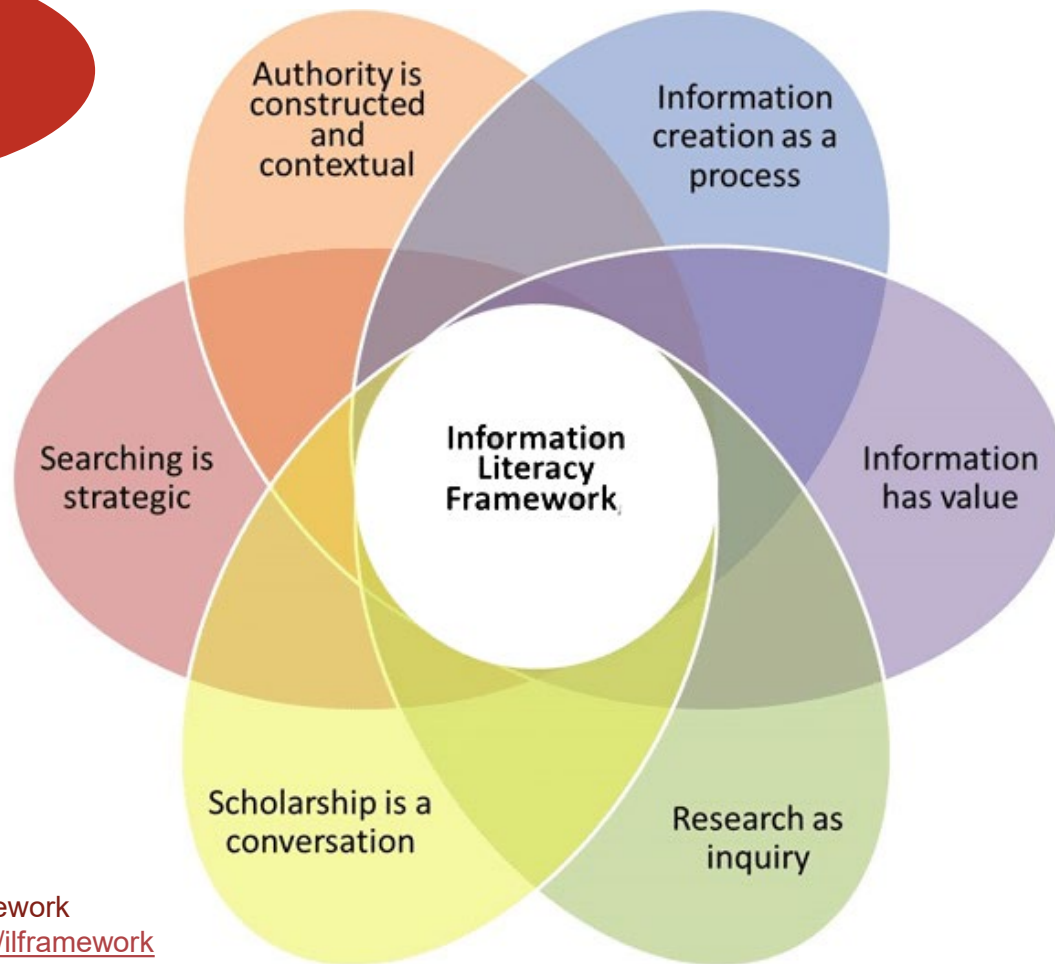

So much more
than books...

Research Help

- Research and educational technology support
- Emails, Phone, Chat
- Library guides
- Canvas
- New Library search engine

Information literacy

Information literacy

We need a revamp!

- Expand the Embedded Librarian Model
- Identify & amplify & support Information Literacy - Faculty Collaborations
- Broaden our information literacy goals

Resources

- Books, periodicals, textbooks, laptops, chargers, calculators
- 19,000 transactions per year
- Online database-- 4 mil+ searches per year
- Need more equipment for student use (i.e. laptops, hotspots, etc.)
