ABOUT SKYLINE COLLEGE

Skyline College opened in 1969 as part of the San Mateo County Community College District. Located on an 111-acre site overlooking the Pacific Ocean just south of San Francisco, Skyline College offers world-class educational opportunities to residents from North San Mateo County and beyond.

Diversity on the Skyline College campus creates an environment rich in culture and opportunity. Over 10,000 students enroll in a broad range of low cost day, evening, weekend and online courses. Many students complete lower division general education requirements at Skyline College and then transfer to four-year colleges and universities to earn a bachelor's degree. Other Skyline College students graduate and achieve an Associate in Arts (A.A.) or Associate in Science (A.S.) degree. Additionally, Skyline College offers the latest in career technical education through such nationally acclaimed programs as Automotive Technology, Networking, Business, Environmental Technology and Allied Health.

Students benefit from state-of-the-art technology, One Stop Student Support Services, the SparkPoint Center, integrated student services and instruction through learning communities and an environment that supports student success.
