President  
Skyline College  
3300 College Drive  
San Bruno, CA 94066

Dear President Stroud,

College staff has informed the ACCJC that the College will be offering the Respiratory Care Bachelor's Program online.

The College has already demonstrated to the ACCJC that it has the capacity and infrastructure to fully support the Respiratory Care Bachelor's Program online, therefore it has been determined a substantive change review by the Commission is not required. Thank you for bringing this to our attention and please let us know if there are any changes in the information provided by the College.

On behalf of the Commission, thank you for your continued commitment to accreditation and academic quality in higher education.

Sincerely,

Dr. Stephanie Droker  
Vice President
