Total Approximate Costs:	\$7,641.00

Please Note:

All costs are approximate and subject to change at any time.

Certificate: Calculating 4 semesters (Fall, Spring, Summer, Fall)

A.S.: Calculating 6 semesters or 2 full years (Fall, Spring, Summer, Fall, Spring, Summer) and assuming 30 units of General Education.

Students transferring in units from other institutions may not need 30 units. Other students may end up taking more than 30 units to meet the requirements - always see a Skyline College Counselor early to determine your Student Education Plan.
