

**CURRICULUM COMMITTEE
GOALS AND PROJECTS
2006-2007**

1) Update Curriculum Processes

- a) Continue to incorporate Student Learning Outcomes in the curriculum and program review processes
- b) Establish recommendation for curriculum process to address proposed and existing curriculum with common course numbers despite having varying attributes and properties at the three colleges
- c) Continue with update of Curriculum Committee forms to modernize their look and increase user-friendliness (Form F to be done 06-07)
- d) Update the Curriculum Committee website with a new look and feel

2) Update Major and Degree Requirements

- a) Review and recommend changes to the Associate Degree general education requirements
- b) Develop the AA/AS General Education Certification process

3) Promote Curriculum Integrity

- a) Continue to work with the Director of Planning, Research and Institutional Effectiveness to identify the best and most consistent methodology for completing the highest level of scrutiny in the establishment of prerequisites for courses with prerequisites outside of their discipline
- b) Establish an inventory of course prerequisites and create a schedule for additional implementation of computer prerequisite checking
- c) Post course outlines on-line and encourage the update of at least one-third of the course outlines/determine the appropriate location(s) of these postings
- d) Implement action plan based on the findings of the review of the Program Review process (Program Review on Program Review)
- e) Establish the recognition of International Baccalaureate Education (IBE) curriculum for award of credit

4) Plan

- a) Carry out curriculum processes to implement Educational Master Plan
