Re: **Program Approval – Skyline College Emergency Medical Technician Training Program**

Dear Ms. Crawford:

Congratulations!! Your application for EMT Training Center approval with the San Mateo County EMS Agency has been approved. Your approval to operate as an EMT Training Program in the County of San Mateo shall be valid as long as the program continuously meets all EMT Training Program requirements set forth in regulation.

Skyline College's EMT Training Program approval expires September 30, 2025. If you chose to maintain your training program approval, you are required to apply for reapproval via the online Licensing Portal every four (4) years a minimum of 30 days prior to your training program's approval expiration.

Thank you for your ongoing contribution to the San Mateo County EMS system.

Sincerely,

SAN MATEO COUNTY EMS AGENCY
