VIII. Concerns expressed

- a. Lori Slicton – she has a disable student who does not come to campus on rainy days as it is too slippery. Suggested sandpaper strips. Richard will research the best thing to do to eliminate the problem.
- b. Lori Slicton-On the side of building 1, was just told the Reserve signs on some parking slots were for handicap parking. Richard explained they were designated handicap parking, but, there was an issue so the signs were removed and reserved signs were put into place. He still has the handicap sign
- c. Lori Slicton-Had heard there were going to be a reduction in Public Safety Staff? Concerned as we have more student than any of the other campus. John will have Brian Tupper talk about services next month.
- d. Nancy Lam- is concern about spitting on campus. Suggestions on a campaign to address health issue, respect for *your school*,
- e. Jane Ernstthal-When student register to have them fill in the emergency contact. There have been medical emergencies where a contact cannot be located because this information has been left blank.
- f. Lori Slicton-discussion about student exhibiting strange behaviors. Contacting psychological services. Confidentiality and what should be done. John will ask Liz Llamas or Beverly Muse to speak at the next Health & Safety Meeting.
