Room 6202

1. Welcome – Call to order 1:07PM
2. Committee Standing Reports (*Members will give a brief update on upcoming events, trainings or projects*)
 - a. Health Services (Health Center and Psychological Services) – Donna Elliott
 - b. Facilities Update – John Doctor
Update regarding Bond Construction projects Building 12 is scheduled currently on schedule. District and college administration, deans and faculty are reviewing cost of construction for Building 1
 - c. Public Safety Updates (Professional Development Training and other projects) – Jim Vangele
District is currently reviewing hiring of Emergency Preparedness Manager
3. Great California Shake Out, Thursday, Oct 19 11:15AM and 7:15PM
Jim reviewed protocols for Shake Out. Faculty discussed their concerns regarding so many of the drills falling on the same days during the semester. They would like Public Safety to rotate the days and times that the drills happen so that the same cases are not always impacted and others are trained.
4. Emergency Response Committee
Discussion of possibility of merging Health and Safety Committee with Emergency Response Committee. Members were asked to take the information back to their constituency groups
5. Adjournment 2:00PM
