

## 2016- 2017 Projects

- 1) Increase our understanding of who our students are and their educational experiences here at Skyline College
- 2) Host a Town Hall on the Lifelong Wellness, Effective Communication, and Critical Thinking ISLO Results, and set benchmarks for all five ISLOs
- 3) Analyze and discuss the CCSSE results
- 4) Analyze and discuss other survey results (e.g., IPRAC, Leadership and Equity...)
- 5) Set benchmarks for additional measures from the Institutional Effectiveness Framework of Indicators
- 6) Continue revising and adding to the Balanced Scorecard
- 7) Identify what data to disaggregate (Accreditation Standard I.B.6) so as to advise the College
- 8) Provide input in response to the open-ended questions from the annual ACCJC report
- 9) Give feedback and enhance the SLOs and Assessment website for “external stakeholders/ the public/ students”
