IEC Goal

Support CPR Shareouts
being more Dialogic,
Interactive, & Less Siloed

CPR Share Outs

IEC will

- Work with MCPR to normalize marketing & expectation for attendance
- Post completed CPR reports on the Program Review website
- Provide shareout prompts and/or templates
- Format/Modality voted on today will be in use for 3 consecutive years before re-evaluation
- Schedule shareouts over two-sessions, with approximately 5 programs per event
- Work to mitigate stress and trauma that can result from CPR process and sharing wherever possible

Vote 1: Format

Option 1

Each Program sharing for the day has 10-minutes for presentation, followed by 5 min Q&A (Current format)

Option 2

Each Program shares out for 10-12 minutes in preferred format; Q&A to follow after all programs have shared highlights

Option 3

A facilitated panel discussion engaging the representative(s) of the 4-5 CPR Programs identified for the day's share-outs

Vote 2: Modality of CPR Share Out
