FOR IMMEDIATE RELEASE

**REGISTRATION IS NOW OPEN FOR SUMMER AND FALL
SUMMER CLASSES START JUNE 11, 2018
FALL CLASSES START AUGUST 15, 2018**

San Bruno, California – May 8, 2018 – Registration is now open for both the summer and fall 2018 semesters at Skyline College. Tuition is just \$46.00 per unit and financial aid is available for students who qualify. The schedule of classes offered for both semesters is available in a convenient searchable format as well as pdf format on the [Skyline College website](#). Students may search for open classes by discipline on [WebSMART](#).

Offering over 100 degrees and certificates for students to choose from, there is something for everyone at Skyline College. New in fall 2018, the college is launching its Meta Majors. Each [Meta Major](#) is a group of degrees and certificates which share similar skills and are likely appealing to students with similar interests. The new student friendly system will assist students in choosing a major and developing a specific and focused educational plan to help them succeed in reaching their goals.

Skyline College offers 24 Associate Degrees for Transfer in various disciplines which provide guaranteed admission with junior-level standing into the California State University system for students who wish to complete a Bachelor's Degree. For more information on transfer degrees please visit the [transfer center website](#).

New students interested in enrolling should visit the [application page](#) and apply. As an open-admission institution dedicated to educating the bay area region, all students who apply are accepted to Skyline College and there is no application fee or deadline to apply. Continuing students can register and view classes on the district's online portal, [WebSMART](#).

New degree and certificate programs launching this fall 2018 include:

- Associate in Arts Degree for Transfer – Philosophy
- Associate in Arts Degree for Transfer – Political Science
- Associate in Arts Degree for Transfer – Sociology
- Associate in Science Degree and Certificate of Achievement – Anesthesia Technology
- Associate in Science Degree and Certificate of Achievement – Biotechnology
