

Middle College Shadow Day

January 30, 2023

8:00am-12:00pm

Arrive by 7:50 to be paired with shadow

Our Middle College Shadow Day gives students interested in applying the opportunity to shadow a current student and observe what it is like to be part of the Middle College program. On this day, you will be paired up with a Middle College student and shadow them to their high school/college classes. Shadowing is optional and not required; however, it can help students get a better sense of whether this program will be a good fit for them.
