# Program Review Process Survey

We are asking all faculty that have undergone program review in the last three years to answer a few questions on the process and value of the self-study process. Your suggestions and comments help to improve future program review processes for faculty and improve student learning outcomes.

**Respondent's Name:**                                    **Department:**

1.  How was the time frame for completion of Program Review?
    **Probe: Was it too long, too short or adequate? Why or why not?**

2.  How did the self-study guide work for you?
    **Probe: Was it clear and understandable? Was it easy to use? Why or why not? Do you have ay suggestions for improvement?**

3.  How useful were the self-study questions?
    **Probe: Did we ask all relevant questions? Why or why not? Do you have any suggestions for improvement?**

4.  How did you find the Program Review process?
    **Probe: Was it valuable or meaningless? Do you have any suggestions for improvement?**

5.  Do you have any other comments that might help to improve the Program Review process?
