CPR Presentations

# Based on the CPRs you reviewed:

---

1. Do the CPR prompts yield insights about the strengths and the challenges of the program?
2. To the CPR prompts:
  - are there any key questions that need to be added, rephrased, or deleted to better understand the program? If so, what are they?
  - are there any questions that need to be added, rephrased, or deleted to better understand their future plans/objectives?

# Role on Presentation Day

---

- Acknowledge the program's accomplishments
- Pose questions that help you to further understand:
  - the characterization of their program
  - the future plans and/or the rationale for these plans
