2015 - 2016 INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC) HANDOUT

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education pattern that fulfills all lower-division general education requirements at all California State University (CSU) and most University of California (UC) campuses/majors. It is also accepted by some private/independent or out of state universities. IGETC is usually recommended for students who intend to transfer to a CSU or UC campus, or who are not yet sure of their intended transfer university. Completion of the IGETC is not a requirement for transfer to the CSU or UC, nor is it the only way to fulfill the lower division general education requirements. Students transferring to CSU campuses may find it advantageous to follow CSU-GE requirements. Students transferring to UC may also complete campus specific breadth requirements. Please note: IGETC is not recommended and/or acceptable for some colleges and majors within the UC system. Please consult with your counselor.

Note:

- IGETC does not guarantee admission to any CSU or UC campus. Please consult with a counselor regarding limitations or restrictions on IGETC acceptance.
- All courses for IGETC must be completed with "C" or better grades. A "C—" is not acceptable.
- Courses listed in multiple areas shall not be certified in more than one area except for courses in Languages Other Than English (AREA 6 LOTE), which can be certified in both areas 3B and 6.

Legend: C = Completed IP = In Progress
 ■ Transfer credit is limited by either UC or CSU or both. Please consult with a counselor.
